

# HABITAT FOR HUMANITY

Greater Watertown Region

Spring 2020

Nelson Concrete putting final touches on the concrete slab of our current twin home.

Since Habitat for Humanity Greater Watertown Region started in 1995, we have been busy not only building homes but helping families around our area start their lives in an economically efficient environment. This year is a milestone for Habitat for Humanity, as we have started to build our 30th and 31st home! We have chosen two families who are ready to start the journey of building and owning a home. We are so excited our mission is being fulfilled right here in Watertown.

Our construction manager going over plans with our friends at Enercept.

## **Meet our new Construction Manager!**

Hello, Ron Seefeldt here! I am originally from Willow Lake, SD. After retiring from the military with 20 years service, I returned to SO. DAK and settled in Watertown. I started my a contracting business and have been working in the carpentry/construction trades for over 40 years.

I have worked with Habitat in past and excited to continue my work with them right here in Watertown. Though the task is quite challenging, it is very enjoyable and rewarding. I am excited to get things going and make dreams come true!

I am looking forward to working with you on the current twin home project. I would love to speak to organizations, businesses or individuals interested in volunteering or simply getting to know more about Habitat for Humanity for Humanity!

- Ron Seefeldt

Supporters of Habitat for Humanity fill Second Street Station banquet room to enjoy entertainment by the Dueling Duo.

## Another fantastic Dueling Duo Fundraiser for Habitat for Humanity

Thank you to our 2020 Sponsors!!

**Crestone Builders**

**KLXG Radio**

**The Realty Team—Jill Schoenefeld**

**Weathergard Roofing & Crane Service, Inc.**

**First Dakota Title— Watertown**

**Phillip Matthews State Farm**

**All Seasons Property Maintenance, Inc.**

**Enercept**

**First PREMIER Bank/ PREMIER Bankcard**

**Crestone Builders, Inc.**

Thank you to everybody who donated and sponsored our event! The night was a huge success, and will benefit many people in our community. Mark your calendar's for 2021— **March 12th, 2021.**

Also, Thank you To Second Street Station and the Dueling Duo for the wonderful food, service and entertainment!

The challenges we face in light of the Corona Virus COVID-19 are impacting how we conduct business everywhere. In light of this, the Habitat Board of Directors has decided to cancel the 2020 Stud-A-Thon. Canceling the event will have a considerable impact on our fundraising. We are grateful for the Stud-A-Thon sponsors who have generously blessed us in the past. We ask that you consider supporting us with a monetary donation or payment in kind as we continue our duplex build this year. Thank you for your continued sup-

## **Covid- 19 may have stopped our building process, but it did NOT stop HFHGWR for giving a helping hand to those in need!**

Habitat for Humanity staff pulled out their sewing machines and made fabric masks for our frontline workers and our very own volunteers! Safety is one of our top priorities!

Executive director, Alissa, teamed up with Watertown Community Cares, and helped delivered food boxes.

## **In Search for Volunteers!!**

We need your help! If you or your group want to make a difference in someone's life—we have several volunteer opportunities! \*\*Groups of 9 or less per volunteer session due to CDC recommendations. Also, hand sanitizer and masks will be available.

### **Volunteer Opportunities**

- Sort Panels - must be able to lift 40-50 lbs
- Set wall panels – all ability levels needed
- Begin construction on inner walls– all abilities levels needed.

If you would like to volunteer or know more about Habitat, please contact the HFH office!
